Also listed are Electronic Fund Transfer (EFT) effective dates for monthly retirement allowance payments. Payments are normally on the first day of the month, unless the first falls on a Saturday, Sunday, or State holiday. In 2011, alternate EFT effective dates occur on April 29, July 30, September 30, and December 30.

LOST, MISSING, OR STOLEN CHECKS

Every month, we get calls from retirees who have not received their pension checks. In most cases, the problem is just a delay in the delivery of the mail. Therefore, you should allow 10 days from the date of the check before considering it lost. However, if you did receive your check and it was subsequently lost, stolen, or destroyed contact us immediately.

To report a missing, lost, or stolen check call our Office of Client Services at (609) 292-7524 or mail a letter with the payee's name, address, Social Security number, and the check date to the New Jersey Division of Pensions and Benefits, Pension Payroll Section, PO Box 295, Trenton, NJ 08625-0295. You can also send an e-mail to:

pensions.nj@treas.state.nj.us

The Division will send you a letter of non-receipt for your signature and begin to process a replacement check once your signed letter of non-receipt has been returned to the Division.

Better yet, avoid the possibility of a lost check altogether and guarantee the availability of your pension money by the first of the month by signing on for Electronic Fund Transfer of your retirement allowance to your bank account.

ELECTRONIC FUND TRANSFER SAVES TIME AND PREVENTS DELAYS

Electronic Fund Transfer (EFT) — also known as Direct Deposit — is mandatory for those retiring as of July 1, 2011 and thereafter.

For those who retired prior to July 1, 2011, EFT is strongly recommended — it is an easy, convenient way to ensure that your monthly retirement check arrives automatically at your bank. Since deposits occur electronically, there is no need to wait for the check to arrive in the mail, and you can pay your bills on time. The extra trip to the bank to cash your check or make a deposit is also eliminated. In this way, EFT can save you time, and your money is available on time, every month. **Eighty percent of our retirees already use EFT.**

It's easy to start EFT for your pension check. Choose a bank that provides EFT for its customers. Most banks now perform this service. There are two ways to sign up for EFT:

- Registered MBOS users can immediately sign up for EFT online. If you already receive your check electronically, you can also easily make changes to your EFT information via MBOS.
- You can complete an *Authorization for Direct Deposit* form and mail it to the Division of Pensions and Benefits. The authorization form is available by contacting the Division or over the Internet at:

www.state.nj.us/treasury/pensions

After you sign up for EFT, you will receive a *Statement of Allowances and Deductions* when your

first monthly pension allowance is directly deposited to your account. Like a check stub, the *Statement of Allowances and Deductions* shows your monthly pension allowance, and includes all of the amounts credited to and deducted from your pension. Keep your initial statement as a guide to what is added to or deducted from your retirement allowance. New statements are not mailed to EFT recipients unless one of the following items change:

- Your monthly retirement allowance
- Your deductions
- Your bank account
- Your name
- Your address

If any of these changes occur, you will receive a statement for that month with a message that explains the change. Changes in allowance or deductions are marked with an asterisk (*) next to the dollar amount to highlight what has changed. All EFT participants also receive a December 1 statement which shows year-end totals.

A typical schedule for the *Statement of Allowances and Deductions* for **all** retirement allowance recipients is shown in the box below.

STATEMENTS OF ALLOWANCES AND DEDUCTIONS IN A TYPICAL YEAR

January 1 - Since federal tax withholding tables change January 1, most retirees who have federal tax withheld receive a January 1 statement showing any new withholding amount. If you have a health benefit deduction or receive Medicare Part B reimbursement, your January 1 statement will show any change in these amounts. EFT recipients would not otherwise receive a statement unless there was a change in the items listed at left.

February 1 - If eligible, you will receive an annual Cost-of-Living Adjustment (COLA). A statement will be mailed to EFT recipients because the total payment will have changed (for more information, see Fact Sheet #18, *Cost-of-Living Adjustment*).

March 1 - November 1 - EFT recipients will not receive another statement until December 1, unless there are changes in the amount of your allowances or deductions; however, if you are a registered MBOS user, your statement can be viewed online anytime. For more information about MBOS visit the Division's Web site: www.state.nj.us/treasury/pensions

December 1 - **The statement contains year-end totals that will allow you to start to prepare income taxes prior to the receipt of a Form 1099-R at the end of January.** Please note that your income taxes are based solely on the payment date printed on the statements by the Division (from January 1 to December 1), not the date in which you receive it via mail or EFT. This statement is issued to all EFT recipients each year.

UPDATING YOUR HOME ADDRESS

Informing the Division of Pension and Benefits of a change of address helps to ensure that you will receive your monthly pension check at your new address without delay. There are several ways to update your home address information:

- Write to Pension Payroll, Division of Pensions and Benefits, PO Box 295, Trenton, NJ 08625-0295. Include your name, Social Security number or retirement number, both the old and new addresses, the date of the move, your daytime telephone number, and your signature;
- Call (609) 777-1777 for the Automated Information System. Please have your Social Security number or retirement number on hand;
- Registered MBOS users can change their address online via the Division's Web site at www.state.nj.us/treasury/pensions

If you are enrolled in retired State Health Benefits Program (SHBP) or School Employees Health Benefits Program (SEHBP) coverage, notifying the Division of your new address, will also update your address information with the SHBP/SEHBP. However, SHBP or SEHBP members who do not receive a monthly pension check cannot use the Internet *Change of Address* form and must call or write the Division.

ADJUSTING THE FEDERAL OR STATE INCOME TAX WITHHELD FROM YOUR PENSION ALLOWANCE

If you are a registered MBOS user you can change your withholding information online. More information is available online at the Division of Pensions and Benefits Web site:

www.state.nj.us/treasury/pensions

Federal and New Jersey *W-4P* forms are also available from the Division's Internet site at: www.state.nj.us/treasury/pensions Find the "Forms and Publications" link on the home page to go to the link for the federal *Form W-4P* or the *NJ-W-4P*.

Federal Income Tax

To change the amount of federal income tax withheld from your pension payment, use the federal income tax withholding *Form W-4P*. This form asks whether you are single or married, and the number of allowances you wish to claim. As the federal government requires, the federal tax tables are applied to the marital status and number of allowances that you indicate on the withholding form and the gross allowance you receive, to determine how much tax is withheld. The "Federal Exemptions" box on your *Statement of Allowances and Deductions* shows the federal tax filing status you currently have on file. For example, M002 means you have indicated that you are married with two allowances, while S001 would mean single with one allowance.

If you wish to have more tax withheld than the tax tables require, there is an "Optional Additional Deductions" box on the form, in which you can enter the amount you want withheld in addition to the amount required by the tax tables. If you never entered a figure in this box previously, and you want to increase your federal withholding tax by \$20, simply enter \$20 there. However, if you previously asked

for an additional \$50 to be withheld, and you now want to increase that by \$20, you must enter \$70 in the additional amount box, not \$20, since that amount will replace the additional amount you had previously requested.

If you are not sure if you previously requested "Optional Additional Deductions" be withheld, you should contact the Division of Pensions and Benefits to determine this — your *Statement of Allowances and Deductions* does not indicate if additional withholding is currently in effect.

New Jersey State Income Tax

Adjusting your New Jersey income tax withholding is simpler. On the *New Jersey Form W-4P*, specify the dollar amount you want withheld each month. That figure will replace any figure you had previously requested.

Additional Tax Information and Forms

See Fact Sheet #12, *Taxation of Retirement Benefits*, for more information about how your benefit is taxed.

The Division of Pensions and Benefits cannot offer tax advice. If you need specific advice on

completing the federal *Form W-4P*, please call the IRS at 1-800-TAX-1040. For advice regarding the *New Jersey Form W-4P*, call the New Jersey Division of Taxation at 1-800-323-4400.
